-  Continuous steam

Ideal for catering, healthcare, transport and mobile cleaners

ivo Steam

innovation unleashed

Yes, so successful.

iVo Steam machines are the groundbreaking results of careful research by a group of cleanliness and efficiency lovers. They represent the latest innovation in modern multifunction cleaners.

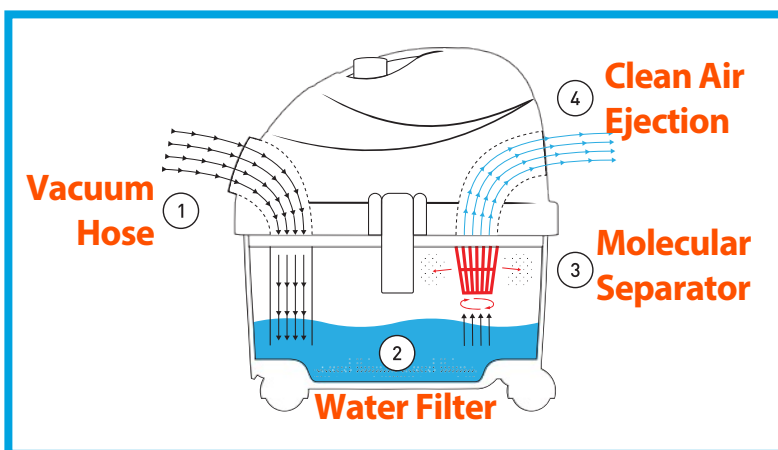

Rated at 4.5 and 8 bar, these machines are powerful enough for any steam-cleaning task, but packed into a small, portable unit.

Yes, so compact.

With the detergent facility, dirt and grime is moved incredibly fast, and then vacuumed away.

The hygienic water filter system ensures that no harmful residue is ejected into the atmosphere. And of course, no costly replacement filters or bags!

Yes, so efficient.

- Self descaling
- Continuous steam
- Waste Tank 6 Litre Capacity
- Vacuum Power 2400mm
- Shock Resistant Plastic
- Swivel Load Bearing Wheels
- Ergonomic Handles
- Digital Display Control Panel
- Double Turbine Motor
- Ultra Hygienic Water Filter

More compact, More powerful, More professional
